Newsletter February-March 2023

Hi there Rewilders,

Yes, it's getting on for planting season! Watch this space ...
But first, weeding. Announcing our first working bee for the year

BEAMI Park/Toorong Station – weeding & soil prep

Sunday 19 March	10 am – 12 pm
Cnr Beaven Ave & Milton Pde	Malvern 3144
plus Toorong Station	depending on time, person power

Meet at BEAMI for a safety briefing, then weeding and soil prep in the park and down the road at Toorong. See how we go ... as always dress for the weather, wear a hat and solid-toed shoes, stay hydrated.

Trailer launch

Thanks to everyone who came along on what might just have been the hottest day of summer 2022!? The launch generated a lot of interest and enquiries – our amazing solar powered trailer and tools hub is now operational, registered and available to other community groups in Stonnington. We would also love to find it a berth long term if anyone has a suitable secure parking spot. Please contact us for further information.

Website launch

The Rewilding Stonnington website will be live from mid next week. At last!! Thanks so much to Lauren Ferris of Green Ant Networks, to the RS website subcommittee and to all the members, friends and supporters who have laboured long and hard supplying images, content and ideas for design and layout.

Check us out at rewildingstonnington.org from Wednesday onwards ...

Upcoming events
