Birds at Birrarung Banks: Riverfest 2026

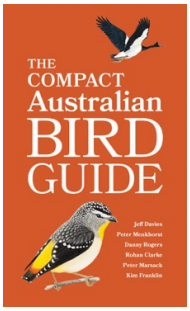

Some Useful Resources

Notes by Gillian Jervis

Field Guides

Pizzey and Knights Birds of Australia / Morecome's Birds of Australia (hardcopy and App versions). Paid App versions include, text, illustrations and photos, let you search by name or family, provide bird call recordings, can be used offline once installed.

Bird ID/Citizen Science Apps/Podcasts

Apps can be useful to make identifying birds easier, some recording calls and sounds and citizen science.

Ethical use of Apps – keep your distance, use headphones or low volume when listening to recordings. Can distress birds.
